In July the Board of Trustees and Executive Committee members met in St John's Newfoundland, Canada –The site of the first “Meet the Board Event.” They met with the Newfoundland/Labrador Area and shared about the responsibilities and work of the Board and Executive Committee. This event included both personal sharings and sharings about international travel to reach out to our world wide fellowship. There were also sessions in which the Board and Executive Committee listened to members share from a spiritual perspective on a variety of concerns affecting the fellowship today and in the future. Utilizing these thoughts and concerns helps the Board to formulate goals and objectives to meet our shared purpose-working for the greatest good of the fellowship. During lunch and at the conclusion of the day members got to share informally with lots of gratitude and hugs to the Board and Executive Committee.

The Board also announced the 2015 World Conference Theme “Living Our Spiritual Principles: Expanding Our Vision which will be held in Virginia Beach April 20-23, 2015 with an optional trip to Stepping Stones on April 25 2015.

WSO is getting ready to receive sharings for a new daily reader on diversity. Think about sharing from your heart how Al-Anon has worked for you or how you work your program.

2015 International AA Convention with Al-Anon and Alateen participation is gearing up for July 3-5, 2015 in Atlanta, Georgia. Check the Group e-news in September for registration information.
