

CT AFG

I have allowed the Coordinators to let you know how their various events are going and also to listen and learn what the state of Connecticut has going on this fall.

Let's also listen to Carol as she gives a detailed run down of the 2015 budget. I would also like to thank the budget committee for such an informative and loving budget meeting.

I would also like for Districts 3, 8, 10 and 11 to start thinking about rotation of service and what positions that you would like to hold in 2015-2017. there are always so many different opportunities.

Love and Peace

Ann B.

Panel 54 Delegate CT
