

Delegate's Report
March 6, 2015

WSO

I am getting ready to go to go to Conference April 18-24th with a visit afterwards to Stepping Stones. There is a letter for each group to bring love gifts or make them at the Convention and an address to where I will be staying during the conference. Any accolades will be appreciated.

I hope that the questions on Understanding Universal Recovery and Concept 8 and 11 have been distributed to all the groups. I would like any or all comments, suggestions and criticisms to me by 3/22 so they can be addressed by WSO.

Again remember to get your reservation in for the AA International Convention with Al-Anon participation July 2-5th in Atlanta Georgia

AREA

I want to give lots of kudos for the Alateen program here in Connecticut. In the February Forum the cover story was written by one of our own Alateens. Thank you to all of our sponsors and AMIAS to be able to provide such a great program to our young people.

Also kudos to Public Outreach in participating in another Health Fair held February 22nd in Southington. It was well attended despite the bad weather.

Next weekend I will spent time with the past delegates from the Northeast at our NERD (Northeast Regional Delegates). This conference will prepare the new delegates for the WSC in April. It gives past and present delegates a chance to share their experience, strength and hope with each other.
