

Report

Delegate's,

September 25, 2015

Bueno Sera,

I am here in Italy getting ready to travel for four days in Venice and I will miss all of you. The Internet is a wonderful thing because I can keep in touch with WSO and my fellow Area officers and be apprised of all that is happening in Connecticut and the world wide fellowship.

WSO

As of today the District Representatives, Area Chairs, Area treasurers, Coordinators and Past delegates may now connect with AFG Connects instead of e-communities. What a wonderful tool and I hope you enjoy this change as much as I do. In the future this tool will be available for all the fellowship if wanted.

I am also finishing up my duties for December helping to select candidates for Trustees at Large, Northeast Regional Trustees and Southeast Regional trustees. This process is similar to the process that is used in Connecticut for selecting Board of Directors.

AREA

Just a reminder of TEAM on October 3, 2015. Hope to see you all there.

Districts 1, 2, 7 and 9 be prepared for your elections and rotation of service.

A reminder of the Area Fall Assembly on November 7, 2015. It is a voting Assembly so I would love to see all the groups there so your voices will be heard.

There have been no resumes for AA Events Coordinator, Workshop Chair 2016, or Public Outreach Coordinator. I will take all resumes starting today.

Ciao,

Ann B.
