

Delegate's Report  
November 7, 2015

I want to thank Districts 1 and 13 for hosting today's Assembly. Also how many of you are here for your first Assembly.

The World Service Conference is April 11-15, 2016 in Virginia Beach. The theme is Realizing Our Spiritual Potential. Following the closure of the conference on April 16<sup>th</sup> WSO will celebrate the 65<sup>th</sup> Anniversary of Al-Anon with a tour of WSO and a party at the Wyndham Beach Hotel. I will let you all know when the registrations will come out.

For the conference I have been asked for Conference Agenda Items that you as members are concerned about. Last year it was about Alateen and if we should let persons be members of Al-Anon if there isn't a problem of alcoholism in a relative or friend. Please read the conference summary for the lively discussions that occurred during conference. Let me know if you have any ideas so that I may pass this on to WSO.

TEAM 2015 was very successful and listen to Ann T's report later on today. I want to thank the committee, presenters and WSO for the joy of hosting this event and hopefully another TEAM can happen with more participation in the future.

I have been visiting Districts and the Alateen Sponsor's meeting in the past couple of months and new DR's will be in place in January. Congratulations to all who will be making a new service commitment next year. Again a gentle reminder if there is to be a Fall Workshop in 2016 we need a chairperson. Also the AA Events liasion is still in need of a coordinator. I really would like to see Al-Anon/Alateen participation at those events. I do have a resume for Public Outreach Coordinator who will present her resume in December.

Love and Peace

Ann B.
