

Delegate's Report

January 8, 2016

Welcome back for another year of service with Panel 12 joining us which includes the Public Outreach Coordinator, District and Alternate District Representatives from District 1, 2, 7 and 9.

WSO

For all of those interested the 65th Anniversary banquet and office open house on April 16, 2016 is online at the WSO website www.al-anon.org. Please think about coming to this great occasion which occurs after the World Service Conference which starts April 11-15th in Virginia Beach. The theme of the Conference is "Realizing Our Spiritual Potential" and this will be my final conference as your delegate. I am also asking for love gifts and there is a flyer explaining what love gifts are and how to get them to me during conference.

On February 26th there will be a survey online for all Al-Anon members and I would like for as many people to participate.

The Meet the Board Event will be held in Fayetteville, Arkansas on October 26, 2016. This is the end of the trial period and it will be further evaluated to see if it will continue as such. It's a great time to meet the Board of Trustees for the world wide fellowship.

AREA

Connecticut groups are thriving and doing quite well. I hear that newcomers are coming to many meetings after the holidays so keep those meetings healthy so that we increase the strength of our meetings throughout the state.

No one has come forward as of today for the AA Events Liaison. I will try and keep members informed of dates so that there will be Al-Anon participation. Also remember this is the year many of the coordinators and Area officers finish out their terms. Think about your next commitment.

HAPPENINGS

Serenity Breakfast January 17 2016 Crowne Plaza Cromwell

AFG Convention Miracles in Motion April 1-3 2016 Crowne Plaza Cromwell

WSC Realizing Our Spiritual Potential April 11-15 2016 Wyndham Beach Resort
