

Delegate's Report
March 4 2016

I hope you all enjoyed the mild winter thus far and hopefully everyone left a piece of literature somewhere for Lois's birthday today.

WSO

Conference is coming quickly and I will be going to Virginia Beach April 10-17th representing Connecticut and all of you. Any correspondence can be sent to me at the Wyndham Virginia Beach Oceanfront Hotel 5700 Atlantic Ave. Virginia Beach VA 23454.

We will finish rewriting Concept 11 for the service manual and maybe finish updating the policy on Memorial contributions. There is also talk of removing the prayer from the Just for Today bookmark because it is too religious. Also the policy regarding what can and can't be mentioned in meetings regarding Conventions and other events pages 85-87 in the service manual. I also would be amiss if I didn't let you know about the preliminary budget. It will again be a deficit budget of \$119,000. If you would like any input into these items please email me at bappleannie@aol.com. Also there no longer will be free Forums mailed to each group to save money. Please think about subscribing to the Forum either electronically or by snail mail.

AREA

Your delegate has an article in the Forum and it has been shared with you at the last spring assembly and our Lifeline. Hopefully I will see you all at the Convention next month and I will also hope to see many of you in my travels.
