

Delegate's Report
May 4, 2016

The WSC (World Service Conference) is over and thanks for the love gifts and well wishes while I was at conference.

WSO

Ric B. The executive director is no longer affiliated with the World Service Office. At present there is an interim executive director Mary G. who will be over seeing the restructuring of the office along with Board of Trustees. If you go to the Al-Anon website under new positions posted is the job description of Director of Programs.

Also the budget for WSO was passed with a \$184,000 deficit. More discussion can ensue at the Spring Assembly but if you want to see the budget again go to the Al-Anon website under finances so that you can make informed decisions. I will also post ideas how groups, districts and areas can help out.

AREA

I am truly excited that our Connecticut Alateens were on the front cover of Alateen Talks and I myself picked up a copy while in Virginia Beach. It also can be downloaded from the Al-Anon website.

Also I want to thank the convention committee and Miracles in Motion that occurred for me both during and following the convention.

HAPPENINGS
