

Delegate's Report  
August 26, 2016

Welcome back after a warm summer and I hope we are all ready to finish out this year with the same enthusiasm that we came into these service positions three years ago.

## WSO

Please read the Chairman of the Board letter on the WSO website. There are lots of happenings there with an updated Treasurer's report and how the Policy committee is working on the wording of some of the policies that were brought up at conference.

Also the CFO position is now posted online. Remember though that this person must be a non AI-Anon member to apply for this position.

Now for interested members you can go to the website and sign up for AFG Announcements and general announcements will be sent to your email. Group E-News, job openings and other announcements will be sent.

## AREA

Just a reminder on distribution of AA fliers. CT AFG recognizes only five Area11 events. The Round-Up, Soberfest, Rompiendo Fronteras, AA Convention and CSCYPAA. All other functions you are more than welcome to attend but fliers are not to be distributed during an AI-Anon meeting.

I have just appointed Aileen D. to chair a thought force involving the answering service. The charge is to Investigate other options for the answering service in Connecticut.

Before you know it November and the elections will be here. Districts 4, 5, 6 12 and 13 will be electing new DRs and many of the Area Coordinators will also be stepping down from their positions. Did I mention that the Area Officers will also be elected in November? In your service manual please read Concept 9 and Bill W's essay on leadership and let's vote with a spiritual foundation in November.

## HAPPENINGS

September 9-11 AA Convention Sheraton in Meriden

October 15 Sponsorship Seminar 277 Main St Hartford

November 25-27 CSCYPAA Radisson in Cromwell

March 31-April 2 2017 CT AFG Convention Radisson Cromwell

Love and Peace

Ann B.
