

Delegate's Report

May 7, 2021

Hello All

I attended my first virtual NERD (North East Regional Delegates) weekend on March 12 & 13, 2021. It was great to meet all the "Nerds". We got to share our Experience, Strengthen & Hope in open dialogue between current and past Northeast Regional Delegates, as well as the current Northeast Regional Trustee.

The 2nd Virtual World Service Conference was held on April 12 – 16, 2021 via WebEx. It was a totally different experience than last year. This year's Conference mirrored what an in-person Conference would be like; which included 8-hour days and lots of information and discussion. More to be revealed at the next Virtual Spring Assembly on June 12, 2021

Tonight, we will hear a resume for the position of Co-Chairperson for 2022 Convention.

I am pleased to announce that the Board of Directors (BOD) has elected a new President, Carol Dropick. Carol has been active in Al-Anon services for many years and I am sure you will all join me in saying thank you for your continued service to our Area.

I continue to attend monthly Zoom meetings with my fellow Panel 60 Delegates. It is a great opportunity to exchange and explore new ideas, the added support has been immeasurable as I navigate this service position.

Please be on the look out for WSO's 2021 membership survey, coming to a computer near you soon!

As noted on "The Loop" this month, Al-Anon's 70th Birthday party will be held virtually and space is limited to the first 500 participants.

Finally, I would like to thank all of you for all the cards and messages of support and love that I received during Conference. Knowing that we are all in this together brings me the warm fuzzies.

LIS
