

## 2019 Ct AWSC Fall Assembly Report

Districts 4 and 5 hosted the Fall Assembly on November 2, 2019. This report is submitted by new incoming DRs for District 4, Robert T and District 5, Karen V.

Major set up was on Friday with volunteers from both districts. Clean up was rapidly accomplished with the help of all attending the Assembly.

While we don't have exact breakdown of participants by category, from the financial records we know that there were at least 168 paid attendees in addition to the invited guests and past delegates. The Assembly attendees included Al-Anon members, GRs/DRs/Alt. GRs, Past delegates/Guests, Alateens, AMiAS/Sponsors and Area Officers.

Expenses for the assembly are listed below. All seed money was returned and an additional \$538.41 was added to the Area treasury.

Hosting the Assembly provided an additional service opportunity for volunteers from both districts. And the shared responsibilities provided a chance to get to know Al-anon members from outside our districts that we might not see at our local meetings.

We have one suggestion for future assemblies when we start to meet again in person. As we move ever more towards cashless transactions, we will need to provide a means for process credit cards or other electronic payments. Numerous attendees arrived without cash and sorting it out caused some confusion, but also a great opportunity for all involved to practice their programs.

Respectfully submitted,  
Robert T, DR, District 4 and Karen V, DR, District 5
